This health history is correct so far as I know. I can engage in all activities except as noted. I hereby give permission to the First Aider or Adult in charge to provide routine health care and administer prescribed medications. I consent to receive such medical treatment and/or surgical procedures as are deemed necessary in the event of an emergency and to assume liability for any medical expenses involved. This authorization extends to my participation in any activity sponsored by GSUSA, GSCNC or individual units. Should a medical emergency arise during my participation in a Girl Scout-sponsored activity, I understand that reasonable efforts will be made to contact my designated alternate at the phone numbers I have given. If it is believed my life or health may be adversely affected by the delay that an attempt to contact my designated alternate would cause, I consent to the administration of medical treatment and/or surgical procedure deemed necessary by the medical doctor and/or medical facility and the immediate administration of life-sustaining measures deemed necessary under the circumstances. This completed form may be photocopied for trips and camping outside of the normal meeting place.
